Ontario SIRES STAKES

Held at racetracks across the province, the Ontario Sires Stakes (OSS) is a series of races specifically for horses sired by a stallion standing in Ontario. Since 1974 the OSS program has been promoting the breeding of quality Standardbred horses in Ontario and providing economic incentives to breed, buy and race horses in the province.

When you come out to watch the OSS races you are helping to support your local community's breeders, owners, trainers, grooms, vets, blacksmiths and more!

For the complete OSS racing schedule, stats, leader boards and more, visit **www.ontariosiresstakes.com**

The Ontario Sires Stakes Program is administered by Ontario Racing.

Ontario SIRES STAKES

Held at racetracks across the province, the Ontario Sires Stakes (OSS) is a series of races specifically for horses sired by a stallion standing in Ontario. Since 1974 the OSS program has been promoting the breeding of quality Standardbred horses in Ontario and providing economic incentives to breed, buy and race horses in the province.

When you come out to watch the OSS races you are helping to support your local community's breeders, owners, trainers, grooms, vets, blacksmiths and more!

For the complete OSS racing schedule, stats, leader boards and more, visit

The Ontario Sires Stakes Program is administered by Ontario Racing.

Harness Racing GLOSSARY OF TERMS

BOXED IN: A horse that is racing on the rail and is surrounded by other horses in front, outside and behind it. A horse that is boxed in is held up and unable to gain a clear passage.

BREAK: To start galloping and lose the natural trotting or pacing rhythm. This occurs more often with trotters than pacers.

CARD: Another term for a program of racing. For example, a person may refer to there being twelve races on the card, which simply means twelve races will be staged on that particular day.

CATCH DRIVER: A driver which does not train his or her own horses and is engaged by other trainers to drive their horses.

CLAIMING RACE: A race where any of the entrants may be claimed (purchased) for a specified amount.

COLORS: The colorful suit (also called "silks") worn by drivers/trainers. Unlike Thoroughbred racing, the drivers/ trainers register their own colors and wear them every time they race.

COLT: A male 3 years of age or less.

CONDITIONED RACE: A race where eligibility is based on age, sex, money won, or races won. For example, "3-year-old colts who are non-winners of $10,000 lifetime or 4 races."

COVER: A horse that races with another horse in front of him is said to race with cover, as the leading horse cuts the wind resistance.

DEAD HEAT: A situation in which the judges cannot separate two or more horses when judging the outcome of a race. This race is declared a tie (Dead Heat).

DISTANCED: A horse that is out of touch with the rest of the field at the end of the race. This is often referred to as "finished distanced".

FIRST-OVER: The first horse to make a move on the leader in a race, moving up on the outside.

FREE LEGGED: A pacer which races without wearing hopples.

HOME STRETCH: The straight length of the track, nearest the spectators, heading toward the finish line. It is called this because it is the final part of the track a horse travels down on its way 'home' (or the finish line).

HOPPLES: The straps which connect the front and rear legs on the same side of a horse. Most pacers wear hopples to help balance their stride and maintain a pacing gait. The length of hopples is adjustable and a trainer registers the length that best suits his or her horse. There are also trotting hopples that work through a pully system to help trotters maintain their gait.

INQUIRY: Judging officials may conduct an inquiry as a result of any incident which may have occurred during a race, to determine whether or not certain drivers and/or horses were responsible for the incident.

PACER: Are horses whose legs move in a lateral motion, meaning the two legs on the same side of the body move in unison. For example, both right legs move forward as both left legs are going back.

PARKED: A horse racing on the outside, with at least one horse between it and the inside rail.

PHOTO FINISH: When two horses cross the finish line too closely to identify a winner, officials call for a photograph of the race, taken exactly at the finish line, to help them determine which nose is ahead.

POCKET: A horse in a pocket is unable to obtain a clear path because it has other horses situated in front, behind and to the side of it.

POST TIME: Start of the race.

QUALIFIER: A race in which a horse must contest a mile below an established time standard to prove itself capable of competing in pari-mutuel races.

STANDARDBRED: The breed of horse which competes in harness races.

SULKY: Also known as the cart or racebike, the sulky is attached to the harness and carries the driver.

TOTE BOARD: An electronic board, usually in the infield of a track, which posts the odds, amount of money bet, results of a race and the wagering pay-offs.

TROTTER: Horses whose legs on the opposite side of the body move at the same time. For example, the right front and left rear move forward as the left front and right rear move back.

General Operations
Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, a division of Agriculture Canada, the Honourable Lawrence MacAulay, Minister. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations issued by the Canadian Pari-Mutuel Agency.
All tickets should be held until the result of the race is declared official and prices are posted. No minor under the age of 18 shall purchase or cash a ticket. A claim that a wrong ticket has been issued must be made before the customer leaves the teller's window. A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel Office of the Association within twenty-four hours of buying or cashing a valid ticket or voucher. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

Cancellation Policy
In the event that cancellation of races should result for any reason after four races have been run in any day's program, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, rain checks will be issued for admission and upon producing the day's Official Program at the program seller's booth, a next day's racing program will be exchanged. Under no circumstances will money be refunded.

Refunds
Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is canceled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch or does not receive a fair start and at least one horse of that entry receives a fair start in the race, all tickets purchased on that entry remain valid, and the purchase price of any such ticket shall not be refunded except when such entry involves the Exactor feature in which case only those tickets coupling the two horses of the same entry shall be refunded.

Fair Start
The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (h) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (l) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

Breaking Rule
When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.
