FAVOURITES	VALUE	LONGSHOTS
LIL SCOOP Likes to live on the safe side. Picks lots of small priced winners. His top picks could be the key to cashing exactors and triactors.	GENERALS GEMS Likes to scout out horses that are coming off tough miles. His picks can present value when used in exactor and triactor tickets	BOMBS AWAY BULLDOG Loves to swing to the fences on the long shots and doesn't cash too many tickets. But when he does he has security take him to his car.

Held at racetracks across the province, the Ontario Sires Stakes (OSS) is a series of races specifically for horses sired by a stallion standing in Ontario. Since 1974 the OSS program has been promoting the breeding of quality Standardbred horses in Ontario and providing economic incentives to breed, buy and race horses in the province.

When you come out to watch the OSS races you are helping to support your local community's breeders, owners, trainers, grooms, vets, blacksmiths and more!

For the complete OSS racing schedule, stats, leader boards and more, visit

www.ontariosiresstakes.com

The Ontario Sires Stakes Program is administered by Ontario Racing.

General Operations

Pari-mutuel wagering and drug control services are provided under the supervision of the Canadian Pari-Mutuel Agency, a division of Agriculture Canada, the Honourable Lawrence MacAulay, Minister. All pari-mutuel pools are calculated and distributed in accordance with the Pari-Mutuel Betting Regulations issued by the Canadian Pari-Mutuel Agency.

All tickets should be held until the result of the race is declared official and prices are posted. No minor under the age of 18 shall purchase or cash a ticket. A claim that a wrong ticket has been issued must be made before the customer leaves the teller's window. A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel Office of the Association within twenty-four hours of buying or cashing a valid ticket or voucher. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

Cancellation Policy

In the event that cancellation of races should result for any reason after four races have been run in any day's program, no refunds or issuance of rain checks will be made. If a cancellation results before the completion of four races, rain checks will be issued for admission and upon producing the day's Official Program at the program seller's booth, a next day's racing program will be exchanged. Under no circumstances will money be refunded.

Refunds

Subject to the provisions of the Federal Regulations, all monies bet in all pools on a race are refunded in the event that the race is canceled, declared off, declared no contest or postponed beyond the racing card for which it was scheduled. Subject to the Regulations, all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. Where a horse that is part of an entry is a late scratch or does not receive a fair start and at least one horse of that entry receives a fair start in the race, all tickets purchased on that entry remain valid, and the purchase price of any such ticket shall not be refunded except when such entry involves the Exactor feature in which case only those tickets coupling the two horses of the same entry shall be refunded.

Fair Start

The starter shall have control of the horses from the formation of the post parade until a start has been determined. For purpose of this rule, the determination of the start is when the horses have passed the starting point and have been released by the starter. 22.03 (h) There shall be no recall after the horses have been released by the starter. 22.03 (i) The starter shall endeavour to get all horses away in position and on gait. The starter shall only sound a recall for the following reasons: (i) A horse scores ahead of the starting gate; (ii) There is interference before the horses have reached the starting point; (iii) A horse has broken equipment, which the starter notices; (iv) A horse falls before the starting point; (v) A horse coming to the starting gate in the wrong position; (vi) A malfunction of the starting gate or in the interests of safety. 22.03 (l) If a horse has not reached the Fair Start Pole when the horses are released at the starting point by the starter, the judges shall cause the "inquiry" sign to be displayed immediately.

Breaking Rule

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

Entry or Field in an Exactor

Exactor pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutuel field (14f, 15f...) will not offer a wager combining both halves of the same betting interest (ie. 1-1, 2-2, field-field). If the same betting interest finishes first and second, the exactor payout will be on those horses finishing first and third.

Daily Double & Late Double Betting

Where the daily double feature is operated, the daily double is a betting transaction in which the purchaser of a ticket undertakes to select the winners of each of the two races specified for the daily double and that if the purchaser of a daily double ticket fails to pick the winner of the first half of the daily double his bet is void and that all tickets in the second half of the daily double not coupled with the declared official winner of the first half of the daily double are void no matter what circumstances might affect the programmed running of the second half of the daily double. The daily double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the daily double races. Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the daily double after the first race of the daily double has been declared official, holders of all daily double tickets on such horses, coupled with the winner of the daily double race, shall participate in the Consolation Double pool.

Exactor Betting

Where the exactor feature is operated, the exactor is a betting transaction in which the purchaser of a ticket undertakes to select the first two horses to finish, in the exact order of finish, in the race on which the feature is operated.

Triactor Betting

A Triactor bet is a betting transaction in which the purchaser of a ticket undertakes to select the first three horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Superfecta Betting

A Superfecta bet is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interests to finish, in the exact official order of finish, in the race on which the feature is operated.

Pick-3 or Pick-4 Betting

The Pick-3 and Pick-4 features are betting transactions in which the purchaser of a ticket undertakes to select the winners of three or four consecutive races on which the Pick-3 or Pick-4 is scheduled to be run. The winning combination of horses constituting a winning ticket shall be those horses that finish first, in the official order of finish in each leg or feature. Where no tickets have been sold coupling horses finishing first in the official order of finish of each leg of the pool, winning tickets shall be determined in the following sequence: Pick-3: (a) the winner of two legs; (b) one winner of one leg; (c) the three horses finishing second; (d) sequentially thereafter. Pick-4: (a) the winner of three legs; (b) the winner of two legs; (c) one winner of one leg; (d) the four horses finishing second; (e) sequentially thereafter. Pick-3 or Pick-4 Scratches: Rule 11 (1). In the event a Pick-3 or Pick-4 feature ticket designates as a selection in any one or more of the races comprising the Pick-3 or Pick-4, a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in the race, the favorite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch(s) occurred, will be substituted for the non-starting selection for all purposes. (2) In the event that the money bet in the win pool for (2) two or more favorites is identical, the selection identified in the lowest program number shall be substituted for the non-starting selection.
